

You can no more
capture true knowledge
in a repository than you
can trap lightning in a
box — Jay Cross

Lost in the Universe

What Changed?

Frand

Relevance, unsolicitation, rate, value

Pollard

Content and collection vs. context and connection

Siemens

Connectivism

Downes

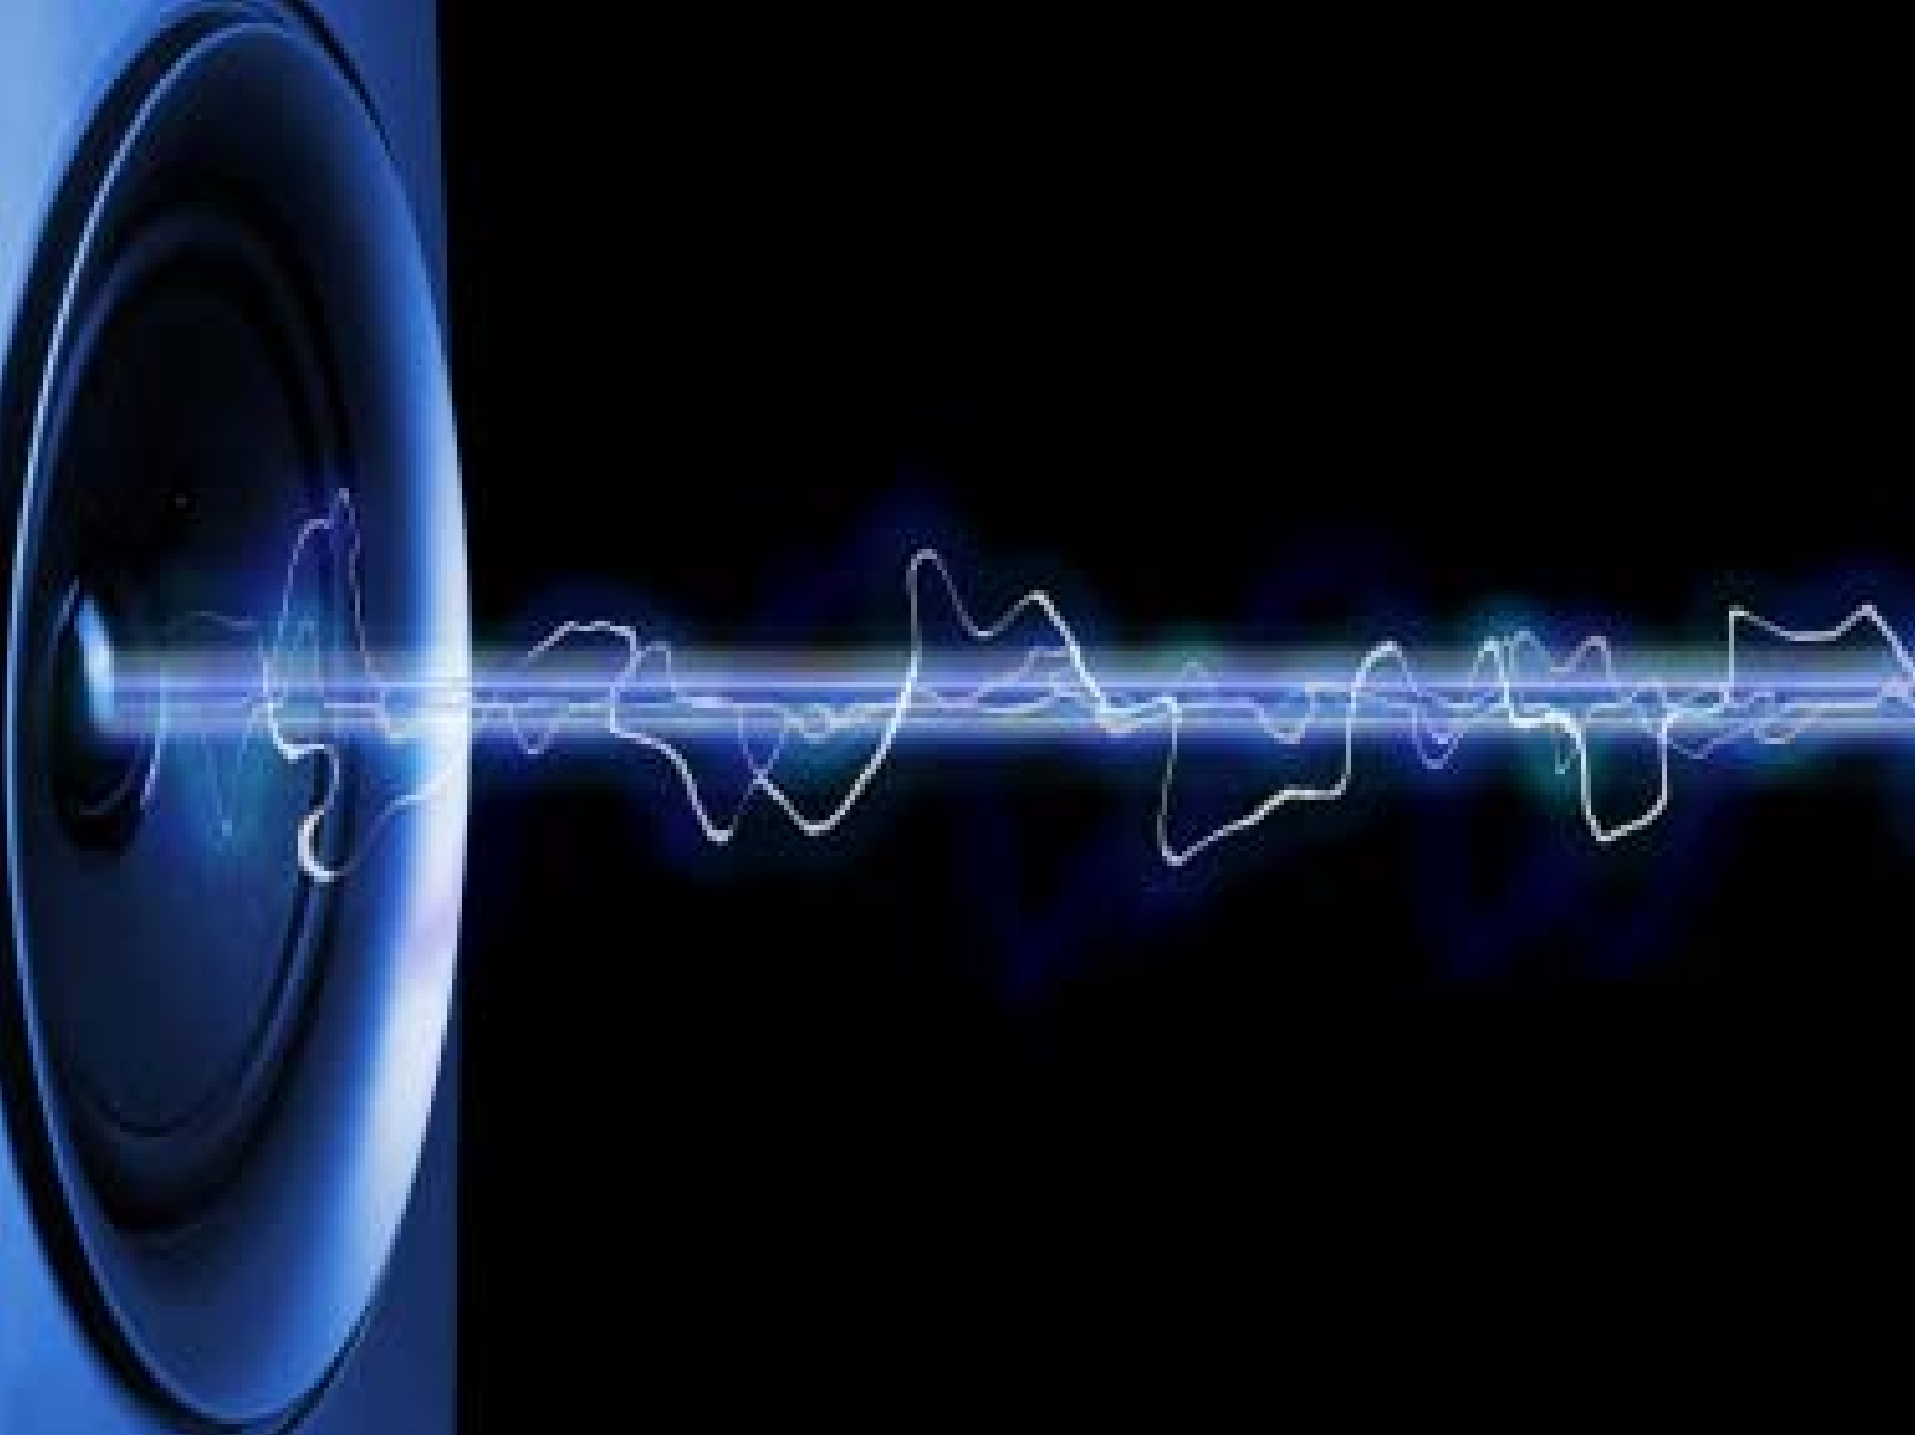

Group vs. network

Benkler

Freedom

Hagel

User revolution

It's the technology, stupid

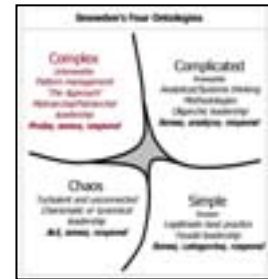

Or is it?

The Post-Organizational Learner

“Smart individuals will address PKM for themselves and find that they are better off elsewhere – either financially or motivationally – leaving organisations with the less-smart individuals.”

- *David Skyrme*
